OUR CUSTOMERS

CORPORATE CLIENTS INCLUDES OFFICES, ESTATE AGENTS, SCHOOLS, HOSPITALS AND CONSTRUCTION COMPANIES.

London Hands Services is a commercial cleaning company based in Camden. Since 1999 we have grown from contract office cleaning and now provide comprehensive property maintenance and management service as well as a 'builders clean' service for property contractors.

Our "all in one" services includes:

Plumbing- Electrical- Floor Sanding and Polishing-Window Cleaning and Jet Washing- Builders Cleaning- General Commercial Cleaning services

Our customers value a company that can swiftly deliver any cleaning and maintenance services. London Hands Services is the complete solution for all corporate cleaning and maintenance needs.

WHY USE LONDON HANDS SERVICES

- 1. We are locally based.** - Customers in London reduce their 'carbon footprint' when they use our service.
- 2. We are competitively priced-** as a small business we have the flexibility to deliver a service based exactly to our customers needs: we do not charge for 'extras' like some of our competitors whilst still delivering a top quality services.
- 3. We value the relationship with our customers.** -our attention to details does not only cover the contract but because we care, we are particular about our client's success hence we report any issues that could cause risks to our clients immediately.
- 4. We reduce your carbon footprint**
London Hands services tend to work within the London Boroughs. If your contracts is in London be rest assured that our staff are miles within reach hereby reducing travel pollution and restoring the environment.
